

# Wine list

*At The Plough Coton we see our suppliers as part of the team, a team that has helped contribute to our recent awards, of which we are very proud.*

*Our wine supplier Peter Graham Wines, an independent company who have supplied exclusively to hospitality businesses across east Anglia for over 25 years now, have supported our team for several years. We've travelled together to France and Italy (so far) to meet with some of the winemakers you'll see on our list and we hope you agree we've found some little gems.*

*Our aim is that you can enjoy and explore as many of our wines as possible, which is why we offer such a large range by the glass. We suggest 125ml and 175ml servings to encourage this, however 250ml glasses are available on request. Our Le Verre De Vin preservation system ensures that wines stay fresh for maximum enjoyment.*

*Our staff would be very happy to make any recommendations.*
